Footnote: Since PEFAC is not yet a charity, these funds will go the County of Prince Edward. The County of Prince Edward provides PEFAC with an annual grant through its community granting program so that residents of all ages can enjoy access to the facility and all its programs, including the indoor pool.

When you make a donation through Prince Edward County, you are helping the municipality increase its grant to PEFAC. The grant supports PEFAC's ongoing operations and also helps us continue saving toward a future building purchase.

Please note: Your donation will support PEFAC's greatest needs. This may include helping us work toward the purchase of the building, and with out-of-pocket expenses associated with fundraising or ongoing expenses until we are ready to move forward with a purchase. No matter how the funds are used, your contribution helps ensure that our community continues to have reliable access to an indoor pool and non-profit fitness centre. Donations made this way cannot be refunded or made conditional on PEFAC purchasing the building.
